Sir

The busines of thys church, and all other busines *which* concerne me in thys town determine thys weeke: so that I might be at my liberty to go to do the duty to my church in the Cuntry, next weeke, but for the expectation of that 100^l, which ^{^you} are to pay some days after that. If therefore yt stand not with *your* conveniency to pay yt before, because I presume yow wyll be gone out of town, before that 11th of July, I ame bold to intreat yow to let me know, by whose hands yt shall be payd me then. for besides that yt were a great disappointment of my necessary service in the Cuntry, to be stayd any longer in thys town, so not to receyve yt at *that* day, wyll put me to so great a trouble, as to make my poore wyll anew, and to subtract from my other children, theyr part of thys 100^l. Therefore I humbly intreat yow, that I may hear from yow, before *your* goinge out of town, and rest

your poore sonne in law, and
humble servant in *Christ Iesus*
Iohn Donne.
At Pauls house.
22 Iune 1629.
